**SUSQUEHANNA STEAM ELECTRIC STATION  
OPERATING LICENSE AMENDMENT REQUEST -  
CORPORATE NAME CHANGE  
PLA-4837 FILE R41-2/A17-2**

**Docket Nos. 50-387  
and 50-388**

Pursuant to 10 C.F.R. §50.90, this letter transmits an operating license amendment request for the Susquehanna Steam Electric Station Units 1 and 2 Operating Licenses (OLs). It is requested that amendments be made to update these OLs such that the corporate name of licensee "Pennsylvania Power & Light Company" be changed to "PP&L, Inc." The need for this request results from the change in the name of Pennsylvania Power & Light Company to PP&L, Inc.

No impact on the status of the OLs or the continued operation of the Susquehanna Steam Electric Station is foreseen, since this request contains a proposed change that is solely administrative in nature.

The attachments to this letter are as follows:

Attachment 1 provides a Description of the proposed change.

Attachment 2 documents, pursuant to 10 C.F.R. §50.92, the determination that the proposed amendment contains No Significant Hazards Consideration.

Attachment 3 provides, pursuant to 10 C.F.R. §51.22(c)(9) and (10), the basis for the categorical exclusion from performing an Environmental Assessment/Impact Statement.

Attachment 4 provides a marked up copy of the affected pages of the Operating License for the Susquehanna SES Units 1 and 2.

Revisions to the Final Safety Analysis Report will be completed in the next revision to the document.

This amendment request has been reviewed and approved by Susquehanna Review Committee (SRC).

Questions on this request should be directed to J. M. Kenny at 610-774-7535.

Very truly yours,

A handwritten signature in black ink, appearing to read 'R. Byram', is written over a horizontal line. The signature is stylized and somewhat cursive.

Robert G. Byram
