Frank,

Please find the attached certificate of source receipt by vendor from January 2017.

Thanks,

Brandon

Mr. Morgan:

We are looking for the receipt of the sealed source shipped back when the moving occurred.

Thank you,

Frank Tran

Frank,

I was on vacation for a while but I'm catching up on emails. To clarify: Are you looking for copy of receipt of new source installed at Phelps or receipt of old source that was shipped back to vendor/manufacture?

Thanks,

Brandon
