Materials Licensing Branch
U. S. Nuclear Regulatory Commission, Region III
2443 Warrenville Road, Suite 210
Lisle, IL 60532-4352

Reference: Amendment to add additional site to license #12-35254-01

Dear Sir/Madam,

Please accept this letter as our request to transfer control the following facility to our license:

Gibson General Hospital
1808 Sherman Drive
Princeton, Indiana 47670
(812)385-3401

Currently, Gibson General Hospital has their own Radioactive Materials License. They have submitted an amendment request to the Commission to let their license become inactive. (License #13-18524-01). Consequently, in order to not interfere with patient care, we would like to begin servicing Gibson General Hospital, upon their current license amendment request approval. I have included a copy of Gibson General permission letter from Gibson County granting Medical Outsourcing Solutions permission to assume all aspects of their Nuclear Medicine program.

Medical Outsourcing Solutions (MOS) assumes the entire responsibility for the receipt, use, storage and disposal of the Byproduct Material at the client site including all sources. The client staff and employees shall not be involved with any part of the license activities.

Information for transfer of Control:

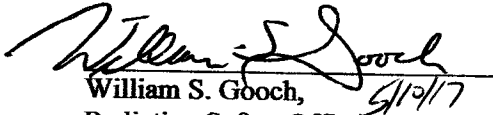

1. Medical Outsourcing Solutions(NRC lic# 12-35254-01), 1735 Dekalb Avenue, Sycamore, IL 60178
Contact: Bill Gooch (618)606-5016 bgooch@micmos.com
2. License conditions will remain unchanged.
3. No changes to the location of the department. A new Gamma Camera will be installed upon removal of our previous service provider.
4. Current Daily surveys, Weekly wipes are performed and up to date. All Calibrations, leak wipe testing and training also is current. The radiation safety program is reviewed quarterly by our health physicist.
5. Not Applicable.
6. All records concerning the safe transfer of the facility will be provided.
7. Please refer to April 24th, 2017 letter giving permission to Medical Outsourcing Solutions.
8. Please refer to License Amendment from Medical Outsourcing Solutions dated April 26th, 2017 with attachments describing the complete description of the program.
9. Not Applicable.
10. Contingent of Patient Care, Gibson General Hospital wishes to transfer control to Medical Outsourcing solutions without any delay of service. Medical Outsourcing Solutions accepts all aspects of our program. Form 314 attached.

RECEIVED MAY 23 2017

In the interest of time, if you need additional information please contact directly by email or phone.

We hope that the information submitted is satisfactory to expedite the license request.

Sincerely,

William S. Gooch,
Radiation Safety Officer
