Subject: Notification of the Change in PM for Ross Site
Date: Monday, June 12, 2017 10:24:00 AM

Messrs. Knode, Griffin, Pond,

This email serves to notify you that effective today, June 12, 2017, I have assumed NRC Project Management duties for the Ross In Situ Recovery site (License SUA-1601; Docket Number 40-9091). I can be reached at 301-415-5452 or, by email, at donald.lowman@nrc.gov.

Please let me know if you have any questions; I look forward to working with you.

Don Lowman

Project Manager
U.S. Nuclear Regulatory Commission
NMSS/DUWP/URLB
