PP&L PLANNED ACTIONS RELATED TO
FEBRUARY 23, 1995 ENFORCEMENT CONFERENCE
PLA-4277 FILE R41-2**

Docket Nos. 50-387
and 50-388

This letter is being provided to document a telecon between Mr. R. Sgarro (PP&L) and Mr. J. White (NRC Region I) on March 3, 1995.

On February 23, 1995, PP&L participated in an NRC enforcement conference at Region I headquarters. Subsequent to the meeting, PP&L reviewed the discussion and identified that some of the information may require clarification. Although we have found no information that changes our conclusions, we are taking the following actions:

1. PP&L will perform QC verification of all information accountable to PP&L in the enforcement proceeding.
2. PP&L will perform an assessment of the processes utilized to prepare for the enforcement conference.

PP&L will inform you of the results of our efforts upon their completion. As the above activities proceed, we will be especially sensitive to potential implications regarding the effectiveness of our security training program as well as your ongoing enforcement review. Should either implication arise, we will notify you immediately.

If you have any questions on this matter, please contact Mr. J. M. Kenny at (610) 774-7904.

Very truly yours,

R. G. Byram
