ALL AGREEMENT STATES, VERMONT, WYOMING

NOTIFICATION OF U.S. NUCLEAR REGULATORY COMMISSION SPONSORED TRAINING  
COURSE SCHEDULE FOR FISCAL YEAR 2018 (STC-17-051)

**Purpose:** To provide the U.S. Nuclear Regulatory Commission (NRC) sponsored training course schedule available to Agreement States' staff for fiscal year 2018.

**Background:** The NRC will fund training and associated travel for Agreement State staff to attend courses sponsored by the NRC. If the States require additional training not sponsored by the NRC, it will be the responsibility of the States to provide that training to their staff.

**Discussion:** The complete list of NRC sponsored training courses for the 2018 fiscal year has been posted to our Web site, <https://scp.nrc.gov/training.html>. As changes to the schedule occur, and courses listed as TBD are confirmed, you will be notified, and the updated schedule will be posted to our Web site.

Please complete and submit a training application, located on our Web site, for each individual. Applications must be submitted no later than ten weeks prior to the course start date. Student selections will be made ten weeks prior to the course start date, and a letter of acceptance will be issued between eight and nine weeks prior to the course start date. Priority is not given to early applicants, as all applicants will be considered at the ten week date. The letter of acceptance will contain specific guidance relating to travel and per diem and will provide the students with information relating to their responsibilities. Upon acceptance, if an individual is no longer available to attend the course, notification must be provided to Marcia Casby immediately so that individuals on the waiting list have an opportunity to attend.
