Date: Friday, February 03, 2017 2:30:45 PM

Good afternoon:

Under the provisions of the Freedom of Information Act, I request records from the following electronic search:

A copy of all emails from the domain EOP.gov to senior managers encompassed within the required agency system for retaining emails of senior officials.

Frequently this records management policy/system is described by the name Capstone.

<https://www.archives.gov/records-mgmt/grs/grs06-1-faqs.html>

If the agency has not yet established NARA-compliant email retention procedures, then I instead request an electronic search of the mailboxes of agency senior managers for all emails that include the EOP.gov phrase in the FROM address.

I limit this request to the time period January 20, 2017 to the present.

This is a request in the news media fee category. I agree to pay up to \$25 for applicable fees if necessary. I request that documents be provided in electronic form if possible.
