SUBJECT: VOID LETTER CONCERNING APPLICATION FOR LICENSE AMENDMENT,
CONTROL NO. [593198]

Dear Mr. Bunge:

This concerns the subject application dated March 14, 2017, for an Amendment to your material license to name a new Radiation Safety Officer (RSO). During a telephone conversation on May 31, 2017, Wayne Bunge, General Plant Manager, notified the NRC that Matthew Pepin, the proposed RSO, completed his training on May 26, 2017. However, Mr. Pepin submitted his resignation to the company on May 30, 2017. On June 1, 2017, you submitted an application to name a different individual as RSO.

The NRC has concluded that you are no longer pursuing your previous request to add Mr. Pepin as RSO. Therefore, you are hereby notified that the application for an amendment dated March 14, 2017, has been voided without prejudice.

Sincerely,

/RA/
