RE: NRC Radioactive Materials License No. 06-30556-01, Amendment No. 08
Completion of Job Activities at Temporary Job Site UT Aerospace (UTAS), 100 Wooster Heights
Road, Danbury, CT

Cabrera Services Inc. (Cabrera) is providing this written notification of completion of job activities
at the UTAS temporary job site in accordance with License Condition No. 18B. Cabrera has
completed planned survey and sampling of radiologically impacted materials and; returned
controls to the Owner. Collected field samples were disposed of by the commercial lab during
analysis. Cabrera material, tools, and equipment brought to the Site were surveyed and released
in accordance with Cabrera's Radiation Safety Program.

If you should have any questions regarding this status update or request, please contact me at (352)
610-2150.

Sincerely,

Michael S. Winters, CHP
Radiation Safety Officer

599864

This is to acknowledge receipt of your: Letter and/or Application Dated: June 16, 2017

The initial processing, which included an administrative review, has been performed. Notification
 Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
 Follow the instructions on the form for submission.

The following administrative omissions have been identified:
 [Empty box for listing omissions]

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
