

**Additional Information Requested**

**ADDRESSES**

- 1.1. The most recent amendment to the license includes a reference to a specific building name in both Item 2 (mailing address) and Condition 10 (location of use). However, the NRC Form 313 submitted with your application excludes that reference.

**Please confirm that the addresses to be listed on the license no longer reference the building name, noted above.**

**MATERIALS**

- 2.1. Subitem A under Item 5 to your application includes an overall maximum possession limit, but omits a maximum possession limit per radionuclide.

**Please provide a maximum possession limit per radionuclide for your authorization to use any byproduct material with atomic numbers 3 through 83, with exceptions.**

- 2.2. Subitems F and H under Item 5 to your application list "sealed sources" as the form to be authorized. However, no specific manufacturers or model numbers were provided.

**Please provide manufacturers and model numbers for sealed sources to be authorized. In the alternative, please provide a statement as to why such information cannot be provided with the request.**

- 2.3. Subitem J under Item 5 to your application requests material authorized under 10 CFR 32.21. However, the request appears to be redundant with Subitem A under Item 5 to your application.

**Please confirm that Subitem J may be removed from the request. In the alternative, please explain why a separate line item is needed for the 10 CFR 32.21 authorization.**

**RSO:**

- 3.1. The application omitted a signed and dated memorandum of understanding/delegation of authority (MOU/DOA) signed by management and the RSO.

**Please submit a copy of a signed MOU/DOA designating Brian K. Hardesty, R.Ph. as RSO, and indicating his acceptance of those duties. Include the name and title of the duly authorized management official.**

**Authorized Nuclear Pharmacists:**

- 4.1 The application omitted names and information for five Authorized Nuclear Pharmacists (ANPs) listed on the most recent amendment to the license.

**Please confirm that you wish to remove ANPs Timothy M. Quinton, Nicole M. Spurling, John E. Haney, Charles E. Bockelman, and James D. Kauchak.**

4.2 Neither the license nor the application includes suffixes (R.Ph., Pharm.D., etc.) for ANPs Stephen L. Piepenbrink or Yogesh P. Patel.

**If applicable, please indicate whether suffixes (R.Ph., Pharm.D., etc.) should be added for Mr. Piepenbrink and/or Mr. Patel.**
