Dear Ms. Diggs:

Per References (a) and (b), the NRC Staff has determined that Commonwealth Edison Company's Safeguards Contingency Plans for Dresden, Quad-Cities and Zion Stations involve consideration of a safeguards issue requiring a Class III fee of \$4,000 for one unit at each station and duplicate fees (Class I) of \$400 each for the other unit(s) at each station. As such, Commonwealth Edison has enclosed a check for \$13,600 to cover the aforementioned licensing fees.

Please address any additional questions regarding this matter to this office.

Very truly yours,

Cordell Reed
