Gentlemen:

My letter dated April 16, 1979, requested that your Company pay fees totalling \$4,400 for your December 12, 1978 application for an exemption to Appendix J of 10 CFR Part 50 for Dresden Units 2 and 3. This office has received a copy of your letter dated May 24, 1979, to Mr. D. L. Ziemann of the Division of Operating Reactors (DOR), withdrawing your application of December 12 for the exemption.

Based on advice from the DOR staff that they have not commenced review of your application, the fees requested in my letter dated April 16 are no longer required.

Sincerely,

Original Signed by
