Dear Dr. Denton:

For Dresden, Quad Cities and Zion Station Commonwealth Edison Company, to the best of its knowledge and ability, has or will have complied by January 1, 1980, or prior to return to power for those units in outages on January 1, 1980, to the NRC Staff's Category A Lessons Learned items identified by the NRC Staff in Reference (a) and further clarified in Reference (b). Through telephone conversations with various members of your staff, Commonwealth Edison has received verbal concurrence that Dresden, Quad Cities, and Zion Stations have satisfied the requirements of the Category A items.

One (1) signed original and seventy-nine (79) copies of this transmittal are provided for your use.

Very truly yours,
