dated October 20, 1980

Dear Mr. Stello:

Reference (a) transmitted a notice of violation and proposed imposition of civil penalty concerning an inspection and investigations of activities at Dresden Station on August 8 and September 8-10, 1980. In accordance with Reference (a), Commonwealth Edison Co. was requested to respond to the notice within 25 days.

This letter is to confirm a request for an extension of time for this response until November 24, 1980. This request was made in a November 10, 1980 telecopy from Joanne G.
