Hey Mr. Scher,

Yes, I can switch you to be proposed RSO in lieu of Jason Pool and your training certificate is fine. However, I need a formal request to that effect in the form of a letter **signed by your management**. Also, I need a Declaration of Authority for you as RSO similar to that submitted for Mr. Pool. So please provide that information as soon as possible.

You may submit these documents as a PDF attachment in an email back to me. Please also include the training certificate again so it is all in one document. Mark the submittal as "**Additional information for CN594364**".

If you have any questions, please let me know.

Thanks.
Bryan

Subject: [External_Sender] License Amendment for #13-32721-01

Hi Mr. Parker,

I have recently replaced Helmet Ghronert as our Quality Assurance and Safety Manager at Endress and Hauser. I am writing you to follow up on a submission for Amendment of our NRC License, 13-32721-01 that he submitted back on March 24, 2017.

Item 1 of our submission has us requesting to put Jason Pool as our Radiation Safety Officer. Pending the status of this request, I ask if it is possible to amend this request in order to add my name as the RSO instead of Jason Pool? If it is too late, then, I will resubmit a new amendment request in the near future.

For reference, I have attached my certificate for completion of RSO Training.

Thank you for your time, and I look forward to working with you.

Ben
