Dear Mr. Reed:

This is to acknowledge receipt of Revision NSEP-DA-9202 of the Dresden Station Annex to the Generic Generating Station Emergency Plan (GSEP) which was transmitted by letter dated April 14, 1992 from Mr. P. Piet of your staff.

We have reviewed the changes to the Dresden Annex and determined that they are consistent with the requirements of 10 CFR 50.54(q) and do not decrease the effectiveness of the emergency plan. Therefore, these changes are acceptable.
