Re: Amendment for NRC Materials License # 06-17892-01

Dear Sir or Madam:

We are requesting an amendment to New Milford Hospital's NRC Materials License to modify our Authorized User list.

An additional Authorized User will be added onto the license for New Milford Hospital. We would like to add Stuart Sherman, M.D. The authorization should include 35.100 and 35.200 category isotopes. He is currently on Danbury Hospital license # 06-08544-01.

In addition, we wish to remove Barbara Blanco, M.D. from our license as she no longer works here.

We request that your offices review our application and inform us of your evaluations in as brief a time as possible. Should you have any questions or need additional information regarding this amendment request, please contact Lee Anne Zarger, MS, Medical Physicist at 860-210-5022 or Dr. Bargellini at 860 210 5020.

Respectfully submitted,

Thomas Koobatian, M.D.
Senior Executive
