Since you did not receive the first mailing, I will mail the new form today (attached).

The number you have is accurate and is my direct line. I get calls at (907) 581-7543 every day. I am sitting right next to that phone right now. I'm not sure why it doesn't work from your location. Our switchboard line is (907) 581-1211, but the number you have is correct. Please note, that due to our remote location sometime long distance satellite communications (and internet) is disrupted temporarily to our entire island, but it works 99% of the time.

Good Afternoon Mr. Peters,

Unfortunately, other than the email you sent today, the NRC does not have any records on file showing receipt and the information requested in the registration form.

Did you mean to submit the email attachment to your June 26th email to fulfill the requirement to submit the registration form? Or is there an updated copy you wish to submit? You may mail or email a copy of the registration form to me to fulfill the requirement.

Also, I tried calling the number on the registration form shown below (907-581-7543) several times in an attempt to contact you and the phone number seemed to be out-of-service. Is there an alternate number to reach you (or the responsible individual) that is current at this time?
