U.S. Nuclear Regulatory Commission, Region I
Attn: Director, Division of Nuclear Materials Safety
475 Allendale Road
King of Prussia, Pennsylvania 19406

Dear Sir or Madam:

I have completed the construction of the permanently attached locking cabinet as described in my license application. I expect to receive the Troxler 3430 moisture density gauge by the end of this week or next week at the latest and will be initiating activities as soon as the gauge arrives.

If you have any questions please give me a call.

Sincerely,

Matthew Beck, PE
Engineer

Next inspection
scheduled for 1997
