Re: Cancellation of Application for Fixed Gauge License

Dear Madam:

We would like to cancel the application submitted for a fixed gauge license for the Clarks Creek Central Facility. The fixed gauges that are intended to be installed on this facility meet the requirements for a generally licensed device. Thank you for your assistance with this matter. If you have any additional questions please contact Jessica Marten, S&E Representative at (303) 262-2862.

Sincerely,
