Number 594651**

Dear Mr. Struckmeyer,

I am sending this letter to confirm that CEVA has read both Item 9 and Item 10. CEVA understands and will comply with the regulatory requirements described in Item 9 and Item 10 of NRC RAI letter dated May 16, 2017.

Thank you for your support. CEVA looks forward to an issuance of our exempt distribution license once we receive our State of California possession and use license.

Sincerely,

Gerard Ewersmann
