Mr. Ewersmann:

Your responses to questions 1 through 8 in the RAI were satisfactory. The only items for which you did not provide a response were numbers 9 and 10. You were asked to confirm that you understand the requirements contained in the cited regulations.

Assuming that you can provide this confirmation, I would be ready to issue the exempt-distribution license as soon as I receive a copy of your possession license.

Subject: [External_Sender] Application for Exempt Distribution License - NRC's RAI Dated May 16, 2017- USNRC Control # 594651

Hi Richard,

I was talking with Jack and he asked me to send an email about our Exempt Distribution License for CEVA Logistics (NRC's RAI Dated May 16, 2017- USNRC Control # 594651). We would just like to confirm that the only thing the NRC still needs is the State Of California's Radioactive Material License which we should have soon. Thanks, Jerry

Kind regards,

Jerry Ewersmann
