## Audit Report

### AUDIT OF DNFSB'S RESIDENT INSPECTOR PROGRAM

DNFSB-17-A-05

#### Status of Recommendations

Recommendation 1: Design and implement a formalized, systematic process to develop and prepare candidates for the resident inspector position.

Agency Response Dated  
June 23, 2017: Agree.

By the end of the 2nd quarter FY 2018, the Office of the Technical Director will design a formalized, systematic process to develop and prepare candidates for the resident inspector position. We anticipate that implementation of this process will be completed by the end of FY 2018.

OIG Analysis: The proposed action meets the intent of the recommendation. The recommendation will be closed when OIG verifies that DNFSB has designed and implemented a formalized, systematic process to develop and prepare candidates for the resident inspector position.

**Status:** Resolved.

## Audit Report

### AUDIT OF DNFSB'S RESIDENT INSPECTOR PROGRAM

DNFSB-17-A-05

#### Status of Recommendations

Recommendation 2: Develop and implement a formal, transparent process for annually determining which defense nuclear sites will have resident inspectors, along with the staffing of those sites.

Agency Response Dated  
June 23, 2017: Agree.

The Office of the Technical Director (OTD) will develop and implement a formal, transparent process for annually assessing which defense nuclear sites should have resident inspectors, and the desired level of staffing for each site. OTD will provide the assessment annually to the Board for review and approval. We anticipate development and implementation of this process will be completed by the end of FY 2018.

OIG Analysis: The proposed action meets the intent of the recommendation. The recommendation will be closed when OIG verifies that DNFSB has implemented a formal, transparent process for annually assessing which defense nuclear sites should have resident inspectors, and the desired level of staffing for each site.

**Status:** Resolved.
