Dear Mr. Weidner:

On February 9, 1994, the NRC administered a Generic Fundamentals Examination (GFE) section of the written operator licensing examination to employees of your facility. Enclosed with this letter is a copy of the examination answer key for forms "A" and "B", the grading results for your facility, and copies of the individual answer sheets for each of the individuals taking the examination from your facility.

Please forward the results to the individuals along with the copies of their answer sheets. A "P" in the column labeled FINAL GRADE indicates that the individual achieved a passing grade of 80 percent or better on the GFE. The individual having an "F" in the FINAL GRADE column failed the examination.
