OFFICE OF ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Commonwealth Edison Company (EA 95-030)
Dresden Station, Units 2 and 3
Docket Nos. 50-237; 50-249

Subject: PROPOSED IMPOSITION OF CIVIL PENALTY - \$100,000

This is to inform the Commission that a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of \$100,000 will be issued on or about April 5, 1995, to Commonwealth Edison Company. The action is based on an inspection conducted at the Dresden Station and involved several violations associated with violations of the technical specification and both inadequate procedures and the failure of licensee workers and operators to follow procedures. The violations have been grouped into one Severity Level III problem. The base civil penalty was mitigated 50% for the licensee having identified the majority of the violations that make up the problem, and mitigated another 50% based on the licensee's comprehensive corrective actions following problem identification. The base civil penalty was escalated 100%, however, both for the licensee's poor past performance and the numerous prior opportunities to have identified the procedure problem. The adjusted civil penalty for this action is \$100,000.

It should be noted that the licensee has not been specifically informed of the enforcement action. The schedule of issuance and notification is:

Mailing of Notice April 5, 1995
Telephone Notification of Licensee April 5, 1995

The State of Illinois will be notified.

The licensee has thirty days from the date of the Notice in which to respond. Following NRC evaluation of the response, the civil penalty may be remitted, mitigated, or imposed by Order.
