U.S. Nuclear Regulatory Commission
Document Control Desk
Washington, D. C. 20555

Subject: LER 94-026, Docket 50-237

Reference: E.D. Eenigenburg letter to U.S. Nuclear
Regulatory Commission dated October 17, 1994.

Licensee Event Report (LER) 94-026, Docket 50-237 was submitted as required by Technical Specification 6.6, NUREG 1022 and 10CFR50.73a on October 17, 1994 (reference). The transmittal letter, however, specified an incorrect LER number (94-041) as the subject and incorrect reference (10CFR60.73a) which should have been 10CFR50.73a. This transmittal letter corrects those errors.

Sincerely,

Thomas P. Joyce
Site Vice President
