Re: 2016 Annual Report For the University of California Davis/McClellan Nuclear Research Center, Docket No. 50-0607, License No. R-130

To Document Control Desk:

Attached is the 2016 annual report for the McClellan Nuclear Research Center, submitted in accordance with the reporting requirements of the Technical Specifications document MNRC-0004-DOC-13 paragraph 6.7.1.

Also included is a copy of the 2015 annual report to replace the current copy in ADAMS. It was noted in review that the last page of the 2015 report was blank. A new copy is provided to correct this error.

Thanks and Regards,

Dr. Wesley Frey,

Director, McClellan Nuclear Research Center
