**Subject:** [External\_Sender] CoC 9233 TN-RAM; 71.95 Reprot Regarding Impact Limiters

TN Americas LLC today signed a letter to the registered users for the TN-RAM packaging, CoC 9233.

The purpose is to inform the registered users of the discovery of a situation involving a failure to follow conditions in the TN-RAM Packaging CoC.

It has been determined that this situation is reportable under 10 CFR 71.95.

It is being mailed to the registered users over the next 24 hours, with a 2-3 day delivery time. However some may be a bit longer due to the fact that the address is a P.O. Box number.

Attached is a copy of this transmittal for your information.

If you have any questions, please call me.

*Glenn*
