Re: Revisions to the Class II Cultural Report Status of License Amendment Request for Ludeman Project to Willow Creek Project, License SUA-1341 (Docket No.: 40-8502)

Dear Ms. Waldon:

Please find the corrected survey Report Cover Page and the Summary Table requested by NRC for the Class III Cultural Report. Uranium One anticipates the report is complete and ready for submittal to the Wyoming SHPO for review.

Revisions to the document consisted of additions of the Report Cover Page and Summary Table and had no revisions to the text since the March 2017.

If you have any questions or need additional clarification on any information provided, please do not hesitate to contact me at 307-233-6330.

Sincerely,
