SUBJECT: CANCELLATION OF LICENSED OPERATOR EXAMINATION AT DRESDEN

Dear Mr. Perry:

Pursuant to your letter dated July 2, 1996, where you formally notified us of the recent compromise of an NRC examination, we are cancelling the examination that was scheduled for the week of July 8, 1996.

This letter releases those individuals that signed the examination security agreement from their obligations described by that agreement as of this date. Additionally, submitted materials such as NRC form 396, Certification of Medical Examination by Facility Licensee, and NRC form 398, Personal Qualifications Statement-Licensee, are no longer valid. The schedule for any examinations for candidates at the Dresden facility will be determined later.

If you have any questions regarding this letter, please contact Melvyn Leach, Acting Chief, Operator Licensing Branch, (708) 829-9705.

Sincerely,

Original Signed by John A. Grobe (for)

Geoffrey E. Grant, Director
Division of Reactor Safety
