September 17, 1996

Mr. J. S. Perry
Site Vice President
Dresden Station
Commonwealth Edison Company
6500 North Dresden Road
Morris, IL 60450

Dear Mr. Perry:

This responds to your September 5, 1996, letter that forwarded Commonwealth Edison Company (ComEd) documents as requested by the U.S. Nuclear Regulatory Commission (NRC) Dresden Independent Safety (ISI) Team. In your letter you requested that these documents be exempted from public disclosure pursuant to 10 CFR 2.790.

NRC has reviewed the ComEd affidavit dated September 5, 1996, that identified information as proprietary and concluded that the claim adequately addressed the considerations for withholding as set forth in 10 CFR 2.790(b)(4), and therefore the NRC will withhold the information submitted with your September 5, 1996, letter from public disclosure.

Should you have questions on this matter please contact me or Bill Brown, Regional Counsel at (817) 860-8271.

Sincerely,

Samuel J. Collins
Deputy Regional Administrator
