References: Letter from T. Maiman (ComEd) to A. Bill Beach (NRC Region III) dated  
November 12, 1996

The above referenced letter described actions that ComEd was initiating to improve the quality  
maintenance and accessibility of design information.

Due to an administrative error, the letter was inadvertently not addressed to the U.S. Nuclear  
Regulatory Commission Document Control Desk and as a result, was not placed on the docket.  
ComEd requests that the referenced letter be docketed.
