Dear Mr. Muller:

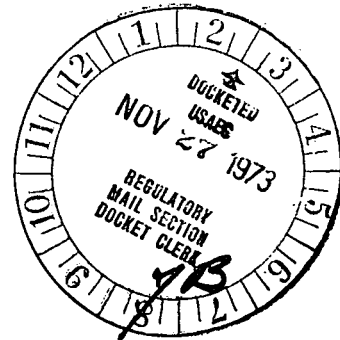

The Advisory Council has reviewed the Final Environmental Statement for the Dresden Nuclear Power Station, Units 2 & 3, Illinois, submitted to this office on November 15, 1973. The Council has determined that the Atomic Energy Commission has satisfactorily responded to the Council's August 22, 1973, comments on the Draft Statement, and the Council has no further comment to make.

The Council appreciates your thorough investigation of the possible effects of this proposed facility upon the area's cultural resources.

Sincerely yours,
