Re: License No. 24-35028-01  
NRC License Termination Request

Dear Ms. Cender,

Robertson Contractors, Inc. has only owned one Troxler nuclear density meter during the time that our license was active. We transferred ownership of our nuclear density meter to Horner & Shifrin in Poplar Bluff, Missouri per documentation requirements previously submitted.

Should you have any questions or need additional information please contact our office at 573-785-0880 or my cell phone at 573-429-5520.

Respectfully,  
Robertson Contractors Inc.

Hello David,

Thank you for taking time out of your day to speak with me this afternoon. As we discussed on the phone, in order to complete your license termination can you please provide a signed and dated letter confirming that only one gauge has ever been possessed under your license. A simple statement (1-2 sentences) is acceptable.

Please do not hesitate to contact me if you have any questions, I can be reached at 630-829-9712.

Thank you,  
Laura Cender
