 NRC Docket No. 50-249

Reference (a): J. G. Keppler letter to C. Reed dated
 January 16, 1980

Dear Mr. Keppler:

As requested by Reference (a) enclosed for your review is our response to the subject bulletin for Dresden Unit 3. As stated in Volume 1 of the response there are still open items concerning the qualification data that is available for the equipment listed. Action is being taken to approach vendors and determine the status of these items by June 2, 1980. At that time a revision to this response will be sent to you.

Please address any questions concerning this matter to this office.

Very truly yours,

D L Peoples
