in Bethesda, Maryland (except, of course, for the resident inspectors at Dresden Station, who we are not yet making available for deposition since it is not known whether they will, in fact, be testifying at this time).

It is my present understanding that Illinois plans to call only two witnesses for the State, Dr. Robert Anderson and Mr. Richard Hubbard. In the event the State of Illinois intends to call additional witnesses, I would request that you please advise me of their identifies at the earliest convenience.

Sincerely,

Richard J. Goddard  
Counsel for NRC Staff
