Re: Dresden Spent Fuel Pool Modification
Docket Nos. 50-237, 50-249

Dear Mary Jo:

Enclosed are Deviation Disposition Requests (DDR's) which we recently received from Brooks & Perkins and Leckenby, Documents D001696 - D001735. These documents are being produced pursuant to our informal discovery agreement since the record in this proceeding remains open. We do not believe, however, that these documents raise issues not addressed in the hearings of last November.

Sincerely,

Robert G. Fitzgibbons, Jr.
