Dear Mr. Denton:

In support of the materials presented in Reference (1) regarding meteorological data requirements under NUREG-0737 Task III.A.2., Commonwealth Edison submits the enclosed Offsite Dose Calculation System (ODCS) description. These materials were submitted to the NRC earlier on the Zion Station dockets in Reference (2), and are provided herewith on all Commonwealth Edison nuclear station dockets.

In the event there are any questions in this regard, please direct them to this office. One (1) signed original and twenty-four (24) copies of this letter and twenty-five (25) copies of the ODCS are submitted for your review.

Very truly yours,

L. O. DelGeorge
Nuclear Licensing Administrator
