Modification)

Dear Chief Judge Wolf:

Enclosed at last is the General Electric affidavit in support of the Agreed Motion for Protective Order submitted to the Board last week.

If the proposed order meets with the Board's approval, I would appreciate your kind offer to have your secretary call me when it is entered so that I may turn these documents over to Intervenor at the earliest possible time. The documents would be useful to Intervenor in taking the depositions of Applicant's witnesses on April 8 and 9.

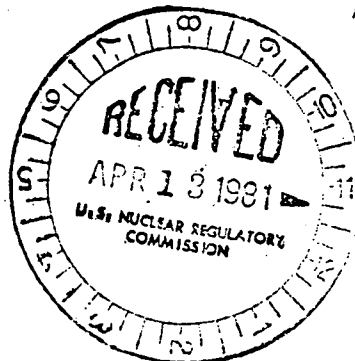

Thank you for your continued patience. I regret that our delay has led to this imposition on the Board.

Sincerely,

Philip P. Steptoe
