 NL Distribution

In the judgement of the Nuclear Licensing Administrator, the attached document contains the following commitments to the NRC or requirements from the NRC.

Identification of Attached Document: D/QC/Z - Response to and status of various NUREG 0737 items due April 1, 1982; E. D. Swartz letter to D. G. Eisenhut dated March 31, 1982.

NRC Commitment or Requirement:

Due Date	Commitment or Requirement	Responsible Edison Department
---	For your information	Distribution

When it is determined by the responsible department that a due date will not be met, the Nuclear Licensing Administrator should be notified immediately.

E. D. Swartz 82-63
