

ENCLOSURE 1

Summary of Changes to Chapter 7 of the License Application

Changes	Justification
Identified the Department Manager of Environment, Safety, Health and Safeguards as the Authority Having Jurisdiction (AHJ) for the fire protection program at BWXT NOG-L. Defined the role and responsibilities of the AHJ. (Section 7.1.1)	The change will ensure prompt resolution of fire protection-related issues in which a deviation from an NFPA Code or Standard is appropriate and compliance be achieved with an alternate equivalent level of protection. Deviations from NFPA codes and standards where an equivalent level of protection cannot be achieved will be submitted to the NRC for review and approval prior to implementation. All AHJ-approved equivalency determinations shall be retained for review by the NRC
Added title of NFPA 801 Standard to the text. (Section 7.1.3)	Editorial change.
Deleted National Fire Protection Association and left the NFPA acronym in place (Section 7.1.5)	Editorial change. NFPA Acronym now defined earlier in revised Section 7.1.1.
Deleted title of NFPA 600 Standard (Section 7.1.7)	Editorial change. Title of NFPA 600 now provided in revised Section 7.1.1.
