ATTN: Document Control Desk
U.S. Nuclear Regulatory Commission
Washington, DC 20555-001

REF: AREVA Nuclear Materials LLC
Eagle Rock Enrichment Facility
NRC Docket No.: 70-7015
License SNM-2015

SUBJECT: Rescission of Request for Termination of License SNM-2015.

This letter is a follow-up to our discussions in April 2017, and reaffirms the decision at that time that no action need be taken by the NRC on our March 10, 2017 letter requesting termination of the license SNM-2015. This letter further requests that our letter be rescinded; and as holder of the license, we affirm that we will take all necessary actions to maintain the current status of our license.

If you have any questions or require additional information, please contact me on (202) 969-3241.

Sincerely,

James Kay
Licensing Manager
