Subject: Notification of transfer of generally licensed device, GL-720352

Good Afternoon Mr. Hillman,

Per our telephone conversation today, the relevant personnel must furnish a report notifying the NRC of the transfer of their generally licensed devices, per the requirements in 10 CFR 31.5(c)(8)(ii). Also, please note that per 10 CFR 31.5(c)(8)(ii) this report should be furnished within 30 days after the transfer of a device. The report should include:

- Name of manufacturer or initial distributor of the device, model number, and serial number;
- Name, address, and license number of person receiving the device; and
- Date of transfer.

The relevant personnel may include any documentation and/or evidence of the transfer of the devices. The relevant personnel may mail the report to the following address or email it to me. If the relevant personnel choose to send it by email, they should please submit an official company letter, signed, and dated.

Mailing address for GLTS correspondence:

Mahlo Control Systems Automation	6270/62	OG 401
Mahlo Control Systems Automation	6270/62	OG 402
Mahlo Control Systems Automation	11-200933	PR 285

Additionally, please be aware that NRC guidance on the subject of reporting requirements for devices under 10 CFR 31.5 is available in Appendix K (entitled "Guidance for 10 CFR 31.5 General Licensees (Q&As)") of NUREG-1556, Volume 16, Revision 0 (<https://www.nrc.gov/reading-rm/doc-collections/nureqs/staff/sr1556/v16/>). Please note that this document is being revised and any new versions will also be placed on the NRC's public Web site.

Please feel free to contact me with any questions or concerns.

Thank you,

Katie Wagner
