

Revised 9/7

September 03, 1982

Docket No. 50-237
LS05-82-09-023

Mr. L. DelGeorge
Director of Nuclear Licensing
Commonwealth Edison Company
Post Office Box 767
Chicago, Illinois 60690

Dear Mr. DelGeorge:

SUBJECT: DRESDEN 2 - REVIEW OF OPERATING EXPERIENCE

SEE REPTS. # 8209140291

At a site visit in late 1981, members of your staff were provided with a draft copy of a NRC contractor report on review of operating experience through 1980 for the Dresden 2 facility.

Enclosed is this draft report and an executive summary which is based on the report, but also includes the history through 1981. This information will be included as part of the integrated assessment. Therefore, you are request to review the factual basis of these reports and provide your comments within 30 days of receipt of this letter.

Sincerely,

Original signed by

Paul O'Connor, Project Manager
