Dear Sirs

My name is James Carlin and I work for the Wake Forest University Athletic Facilities. I am writing to inform you we have sent (10) SRB Technologies (SRBT B100 Luminexit Signs) containing tritium to SRB Technologies Inc (NC Radioactive Materials License# 034-0534-2) for proper disposal.

These signs were installed in the Manchester Athletic Center on campus and have been replaced with signs that do not contain tritium. The street address is 19 Wingate Road Winston Salem North Carolina 27106. Following is a list of the signs manufacturer, model and serial numbers, the date installed and their life rating.
