

DEC 17 1973

Mr. Edward J. Bauser
Executive Director
Joint Committee on Atomic Energy
Congress of the United States

Dear Mr. Bauser:

The order to show cause issued on December 3, 1973, to Consumers Power Company has been modified by the Director of Regulation on this date. The order was modified based on a determination that the licensee now has appropriate procedures for cadwelding operations and that all cadweld inspection personnel has been appropriately trained. This determination was based on a special inspection performed by Regulatory Operations personnel.

Sincerely,

[Handwritten signature]

Donald F. Knuth
Director of Regulatory
Operations

Enclosure:
Modification of Order
to Show Cause
