Ed – Subsequent to the attached email, we received the letter of credit issued to Aerotest Operations, Inc. by Bank of the West. As a result, we are prepared to close the transaction on Monday, July 17 and would appreciate the NRC's officially issuing the changes to ARRR's operating license at your earliest convenience on Monday.

Thank you again.

Ed – As you requested, and as I informed Cindy Montgomery by phone a short time ago, this is to confirm that closing will not take place today due to delays in receiving the letter of credit required as part of the license transfer. We still anticipate receiving the letter of credit this afternoon. As a result, we should be in a position to close on Monday and will talk to you then.

Jay, sounds good. If for some reason the closing is delayed beyond tomorrow, please go ahead and send us an email to that effect so we can document in ADAMS.

Thanks,
Ed
