NOTE FOR RAYMOND F. FRALEY

SAFETY GUIDES

Enclosed for the use of the ACES Safety Guide Subcommittee are six (6) copies of the proposed safety guide entitled "Control of the Use of Sensitized Stainless Steel" (Draft 1, August 8, 1972).

Also enclosed for the information of the ACES Safety Guide Subcommittee are six (6) comparative text copies of revised Safety Guides 10 and 15 entitled:

Safety Guide 10, "Mechanical (Coldweld) Splices in Reinforcing Bars of Concrete Containments" (Draft 1 of Revision 1, August 8, 1972)

Safety Guide 15, "Testing of Reinforcing Bars for Concrete Structures" (Draft 1 of Revision 1, August 8, 1972).

LESTER ROGERS

Lester Rogers
Director of Regulatory Standards

Enclosures:

- (1) Proposed S.G., 6 cys.
- (2) Safety Guide 10, 6 cys.
- (3) Safety Guide 15, 6 cys.
