Dear Mr. Price:

Yesterday we sent you copies of endorsements to our Nelia and Maelu Facility policies on Dresden, confirming the contemplated change in site description, as of July 1, 1965. Assuming that we shall soon receive the rider in making a similar acknowledgement in connection with our indemnity agreement No. B-10, we have authorized General Electric to go ahead with the contemplated change in location of the security fence at the plant site.

Yours very truly,

M. A. Tait
Assistant Treasurer
