U.S. Nuclear Regulatory Commission  
Washington, DC 20555

**Subject: Dresden Station Units 2 and 3  
Proposed Technical Specification  
Amendment to Section 6 -  
Administrative Controls  
NRC Docket Nos. 50-237 and 50-249**

Dear Mr. Denton:

Pursuant to 10 CFR 50.90, Commonwealth Edison Company (CECo) proposes changes to Provisional Operating License DPR-19 and Operating License DPR-25 Appendix A, the Technical Specifications. The proposed changes affect Section 6 of the Technical Specifications regarding administrative controls.

A description of the proposed changes is provided in Attachment 1. The proposed amendments can be found in Attachments 2 and 3 and have been both On-Site and Off-Site reviewed. We have reviewed this amendment request and find that no significant hazards consideration exists. Our review is documented in Attachment 4. Commonwealth Edison will notify the State of Illinois of our request for this amendment and our appraisal on the question of no significant hazards by transmittal of a copy of this letter and its attachments to the designated State Official.

In accordance with 10 CFR 170, a fee remittance in the amount of \$150.00 is enclosed.

Please direct any questions you may have regarding this matter to this office.

DESCRIPTION OF PROPOSED CHANGES

The following changes to Section 6 of the Dresden Units 2 and 3 Technical Specifications have been proposed:

- The Corporate and Station Organization Charts have been revised to reflect recent organizational changes. Throughout Section 6, title changes have been made where applicable.
- Reporting requirements for events has been changed to reference 10 CFR 50.73.
- Section 6.1.G regarding the Review and Investigative function and the audit function has been revised to reflect organizational and responsibility changes and to provide for delegation.
- Special Report Table 6.6.1 has been revised to delete reporting requirements for Unit 1 as this unit is no longer operating.

The following Technical Specification pages are affected:

<u>Page</u>	<u>Change</u>
